

## SDPA CONTINUING EDUCATION

### **CE Conflicts of Interest**

As an APA-approved sponsor of continuing education, SDPA is committed to the identification and resolution of potential conflicts of interest in the planning, promotion, delivery, and evaluation of continuing education. Consistent with concepts outlined in the APA Ethical Principles of Psychologists and Code of Conduct, potential conflicts of interest occur when an individual assumes a professional role in the planning, promotion, delivery, or evaluation of continuing education where personal, professional, legal, financial, or other interests could reasonably be expected to impair their objectivity, competence, or effectiveness. Any questions regarding conflicts of interest related to a CE course presentation should be directed to the SDPA Office.
